Grey Literature Report - February 2002

Vol.4, No.1 February 2002

Welcome to the first of the 2002 issues of the Grey Literature Report! This is also the first issue of the report compiled under new editors, Lea Myohanen and Elizabeth Taylor, after the departure of Marie Ascher from the New York Academy of Medicine Library. We wish her well in her new endeavors and hope that our readers find the report as useful as under Ms. Ascher's excellent stewardship.

The following are our recent grey literature acquisitions:
