## Grey Literature Report - July 2005

Vol.7, No.3 July 2005

Welcome to the third report of 2005.

We are moving from a quarterly publication schedule to distributing the Grey Literature Report on a bimonthly basis. The report will be distributed six times a year on the following schedule: July, September, November, January, March and May. If you would like to receive email notification when a new issue is posted, please complete our [registration form](#).

The publications in the report can be found in The New York Academy of Medicine's Library Catalog. To search the Academy's entire Grey Literature Collection, enter keyword(s) in the box below and hit enter.

ex. **medicare AND medicaid**

Search:

The following are our recent grey literature acquisitions:

This document includes citations, hyperlinks, and other documentation references which are provided solely as a convenience to the reader in accordance with all current copyright legislation. The resources provided are for scholarly and personal use only and may not be used for commercial purposes. The New York Academy of Medicine is not responsible in fact or by implication for any misappropriation or misuse of such materials, citations, hyperlinks, or references by the reader with regards to copyright.
